**MOTION FOR EXTENSION OF TIME TO FILE
CERTIFIED STATE COURT RECORDS**

1. The petitioner, John Folks, has applied for federal habeas relief, alleging ineffective assistance of counsel. D.I. 1. The undersigned filed an answer to the petition on October 24, 2007.

2. By the terms of the Court's order, the respondents are directed to attach to the answer certified copies of the state court records material to the questions raised in the petitioner's appeal.

3. Due to the large volume of record retrieval recently required by prosecutors in the appeals division, the undersigned has been unable to obtain the certified state court records in order to file them contemporaneously with the answer. The undersigned anticipates obtaining and copying the records on or before November 28, 2007.

4. This is respondents' first request for an extension of time to file records.

5. Respondents submit that an extension of time to November 28, 2007 in which to file certified copies of the material portions of the state court records in this case is reasonable. Respondents submit herewith a proposed order.
